▶ CHAFEE EDUCATION AND TRAINING GRANT

WHAT IS IT? A GRANT GIVEN BY THE FEDERAL GOVERNMENT TO HELP PAY FOR HIGHER EDUCATION FOR CURRENT AND FORMER FOSTER YOUTH.

HOW MUCH IS THE AWARD?

The amount of the award each student receives in a school year will depend on how many youth are eligible. This is because each state is given a limited amount of money and want to help as many eligible youth as possible.

In 2016-2017, THE MAXIMUM AWARD IN PA WAS \$5,000.

Money is given out on a first-come, first-served basis, so apply as early as you can.

AM I ELIGIBLE?

You are eligible for the Chafee grant if you were a Pennsylvania resident who was in foster care at age 16 or older. This includes youth who were in foster care at age 16 or older and then were adopted or entered a kinship guardianship arrangement, which is called permanent legal custodianship (PLC) in PA.

WHAT ARE THE ENROLLMENT REQUIREMENTS?

- You must be enrolled at least half-time in a college or career school that is eligible to receive federal financial aid. Contact your school to make sure it is approved for Title IV student assistance programs by the Department of Education.
- You must maintain “satisfactory academic progress,” which is defined by your school.

HOW MANY YEARS CAN I RECEIVE THE GRANT?

You must apply for the Chafee grant before you turn 21. You can receive the grant until you are 26, or for a maximum of five years.

WILL THE GRANT COVER REMEDIAL CLASSES? Yes.

DO I HAVE TO ATTEND SCHOOL IN PENNSYLVANIA?

Pennsylvania allows youth to use their Chafee award at an out-of-state school. However, you must check with your school’s financial aid office to find out if the school or state accepts out-of-state Chafee money.

CAN I BE DISQUALIFIED?

You are not eligible for the grant while you are in “default” on a federal student loan – that means you aren’t making the payments you owe on a federal loan. You can be eligible again by repaying the loan and getting out of default, though.

HOW AND WHEN DO I APPLY?

You apply by completing a short application that can be found at <https://www.pheaa.org/funding-opportunities/other-educational-aid/chafee-program.shtml>

The 2017-2018 application is due on December 31, 2017. The 2018-2019 application will be available April 2018.

You should send your completed application to: *PHEAA State Grant and Special Programs P.O. Box 8157 Harrisburg, PA 17105-8157*. You must also complete the FAFSA and application for state-based aid.

PELL GRANT

WHAT IS IT? A GRANT GIVEN BY THE FEDERAL GOVERNMENT FOR UNDERGRADUATE STUDIES, BASED ON FINANCIAL NEED.

HOW MUCH IS THE AWARD?

The amount of your award will depend on your income, the “cost of attendance” at your school, and whether you are enrolled full- or part-time.

IN 2017-2018, THE MAXIMUM AWARD IS \$5,920.

AM I ELIGIBLE?

Any student that has financial need is eligible.

WHAT ARE THE ENROLLMENT REQUIREMENTS?

- You must be enrolled at least part time in a school that participates in the Pell program. Check with your school to find out whether they participate.
- You must maintain “satisfactory academic progress,” which is defined by your school.

HOW MANY SEMESTERS CAN I RECEIVE THE GRANT?

Twelve full-time semesters.

Remember that if you attend school during a summer session, that will count as one of your twelve semesters. You can only get two Pell grants per academic year.

WILL THE GRANT COVER REMEDIAL CLASSES?

It depends on your program. In some cases, the grant will only cover one academic year worth of remedial courses. Check with your school before enrolling in remedial classes to make sure you do not get a bill for classes that you cannot cover.

DO I HAVE TO ATTEND TO SCHOOL IN PENNSYLVANIA?

No, you can use a Pell Grant at a school in any state.

CAN I BE DISQUALIFIED?

- You can't receive the grant while you are in a federal or state adult jail or prison, but you can apply so that your aid will be processed by the time you get out and begin school. You are eligible for the grant if you are in a juvenile justice facility, local or county jail, or are confined while awaiting trial.
- You can be temporarily disqualified if you are convicted of a drug related crime as an adult while you were enrolled in school and receiving federal financial aid. A juvenile adjudication (“conviction”) is NOT the same as an adult criminal conviction, and a juvenile record should NOT impact your eligibility for financial aid.
- You are not eligible for the grant while you are in “default” on a federal student loan – that means you aren't making the payments you owe on a federal loan. You can be eligible again by repaying the loan and getting out of default, though.

HOW AND WHEN DO I APPLY?

You need to complete the Free Application for Federal Student Aid (FAFSA) every year to apply for a Pell Grant. There is no separate application for a Pell Grant.

WHAT IS AN INDEPENDENT STUDENT?

When you fill out the FAFSA, it will ask you whether you have been in foster care at age 13 or later. If the answer is “yes,” you are an “independent” student. That means you don't need to fill out of the parental income section of the FAFSA, and only your personal income, if any, will be used in deciding how much financial aid you get – **so you will get more money!**

WHAT CAN I USE GRANT MONEY FOR?

You have to use the grant to first cover tuition and fees, but if you have money left over you can use the grant for housing, food, books and supplies, transportation or child care too. These expenses are called the “cost of attendance,” which is different at every school.

WHAT IS SATISFACTORY ACADEMIC PROGRESS?

Satisfactory academic progress is the minimum standard you have to meet in order to keep your grants. Check with your school to find out what their requirements are. Examples of common requirements are maintaining a certain grade point average and completing a certain number of credits each year.

WHEN DO I HAVE TO FILL OUT THE FAFSA?

For the school year beginning in fall 2018 and ending in summer 2019, most students in Pennsylvania should fill out the FAFSA between **January 1, 2018 and May 1, 2018.**

HOW MANY SEMESTERS CAN I RECEIVE THE GRANT?
