

# Webinar Series

## Justice for Emerging Adults

Young people between the ages of 18-24 years old, also known as Emerging Adults, experience the worst racial disparities within the criminal justice system of any age group. Join us for this four-part webinar series featuring panels of national and local speakers examining key areas that can lead to reform.

### SESSION ONE: POLICY

**Great Lakes Region: How Does Wisconsin Compare?**  
**February 25, 2021: 12pm - 1pm (CST)**
